# PROJECT CLEAN SLATE REGISTRATION

*Congratulations on taking the first step towards a brighter future today!*

- Project Clean Slate services are free to all Detroit residents.
- To find out if you are eligible for expungement through Project Clean Slate, please go to [www.detroitmi.gov/projectcleanslate](http://www.detroitmi.gov/projectcleanslate) to fill out our online registration form.
- Project Clean Slate will ask for your name at the time of conviction, address, contact information, race, gender, date of birth, and some information about your conviction(s).
- It is important that you include an email address, as that is one of the easiest ways for us to contact you.
- Our attorneys will review your information and contact you regarding your eligibility **within 21 business days**. If you do not hear from us after 21 days, you may contact our offices at 313-224-4550 or [projectcleanslate@detroitmi.gov](mailto:projectcleanslate@detroitmi.gov).
- If you are eligible to move forward, Project Clean Slate will contact you to make an appointment to sign an Application to Set Aside Conviction. You will be asked to provide proof of residency at that appointment.
- If you are not currently eligible, we recommend that you stay in touch, as pending legislation may impact your status. We also encourage you to review other available resources, which are listed on the reverse side of this sheet.

#### Get a clean driver's license or other form of ID

*Unlicensed driving puts you at risk for further convictions and may prevent you from getting an expungement.*

- If you have old traffic violations or a suspended license, get them taken care of. Stop into a Detroit at Work Career Center (see above for locations) for a referral to an attorney who can help.
- A Detroit ID is a valid, government-issued form of identification that in some cases may be easier than getting or restoring your license. Call 1-800-408-1599 or visit [www.DetroitMi.gov/DetroitID](http://www.DetroitMi.gov/DetroitID).

3

#### Clear old arrest segments off your criminal record (ICHAT)

*Do you have old arrest segments on your record? Take steps to clear them so you can apply for a job without worry. You can request your ICHAT through PCS staff.*

- Detroit Police Department:** take ICHAT to the Third Precinct Identification Unit, 2875 W. Grand Blvd. and ask to have old arrest segments cleared. DPD will give further instructions.
- Other law enforcement jurisdictions:** take ICHAT to the arresting agency and ask to have the old arrest segments removed from your ICHAT. The arresting agency will give further instructions.

4

#### Take care of old legal or financial problems

*Are old debts getting in your way? Take steps to resolve them so you can take a job without worry.*

- Stop into a **Detroit at Work Career Center** (see above for locations) for a referral to a program or attorney that can help you work out a payment plan for back child support, establish or rebuild your credit history, and more.

5

#### Get assistance with housing and other needs

*Is your housing situation unstable? Do you need help taking control of your substance use?*

- Dial 211 from any phone to get a United Way referral for housing assistance, mental health and substance treatment programs, and other supportive services to help you get and stay on track.

6

#### Keep your record clean and stay in touch

- You may be eligible for expungement if the law is changed to include more types of records.
